United Arab Emirates, Sharjah

Dear Hiring manager,

Thank you for the opportunity to apply for this position at your company. After reviewing your job description, it's clear that you're looking for a candidate that is extremely familiar with the responsibilities associated with the role, and can perform them confidently. Given these requirements, I am certain that I have the necessary skills to successfully do the job adeptly and perform above expectations.

I am an efficient recent college graduate (Bachelor of Science in Computer Science) from University of Sharjah. During the course of my academic career, I also managed to accrue nearly 7 Month of work experience. I had the privilege of working for Halza Software Solution LLC in a Mobile/Web Developer role as an internee, where I learned valuable professional skills such as web platform development, Mobile Development and Azure Cloud . In both my academic and professional life, I have been consistently praised as hard-working by my professors and peers. Whether working on academic, extracurricular, or professional projects, I apply proven teamwork, problem-solving, and creative thinking skills, which I hope to leverage into the Software Engineer role at your company.

After reviewing my resume, I hope you will agree that I am the type of competent and competitive candidate you are looking for. I look forward to elaborating on how my specific skills and abilities will benefit your organization. Please contact me at **(052) 386-1836** or via email at **s-nabeel@live.com** to arrange for a convenient meeting time.

Thank you for your consideration, and I look forward to hearing from you soon.

Sincerely,

Syed Nabeel Mumtaz.
